## Remember: Ag Day at the Capitol is February 3

Ag Day at the Capitol will be held Feb. 3 at the Monona Terrace in Madison. Ag Day at the Capitol is the largest gathering of farmers from across the state representing a variety of farm groups to learn more about state issues and meet with their state legislators.

Hot topics on the legislative plate are expected to be state climate change legislation, use value assessment of farmland, animal welfare and proposed changes to the state's nonpoint regulations known as NR 151.

“The difference this day makes for agriculture is tremendous,” said Bill Bruins, president of the Wisconsin Farm Bureau. “By having farmers from every major farm and commodity group in the state taking part, our legislative leaders have no doubt about the needs and opportunities for a growing agricultural sector in Wisconsin.”

Registration will begin at 11 a.m. with introductions at 11:30 a.m. A pot roast lunch will be served at 11:45 a.m. Issue briefings and a panel of guest legislative speakers will begin at 12:45 p.m. At 3 p.m. attendees will then walk up the street to the State Capitol to meet with their legislators in the Wisconsin Assembly and Senate.

It is important that attendees call the offices of their legislators in advance to schedule an appointment between 3 and 5 p.m. for Feb. 3.

Register for Ag Day by calling the Wisconsin Farm Bureau at 800-261-FARM. Registration cost is \$25. A copy of the registration form is also available at [www.wfbf.com](http://www.wfbf.com).
