

# Dairy Dialogue Day™

## Wednesday, August 16, 2017

### 9:30AM – 3:30PM

*This is more than a tour!*  
 Pick the brains of fellow dairy farmers. Engage in conversations that will allow you to walk away with new ideas and insights.

## See how two high performing dairies operate

### Wargo Acres, Inc. – Lodi, Wis.

Craig Carncross and his parents, Emily and Gordon, milk 420 registered Holsteins at Wargo Acres in Lodi, Wis. Minding their SOPs and keeping cow comfort at the forefront

of their business, Wargo Acres has excelled at longevity and productivity with their herd.

Blue Star Dairy is a progressive dairy located in Middleton, Wis. Incorporating new technologies into their system, the Meinholz family has been able to optimize their reproduction and health monitoring programs.

### Blue Star Dairy – Middleton, Wis.

### Facilitator

Dr. Randy Shaver, UW-Madison, will lead discussions with these two dairies as you get a closer look at farm management practices.
