

WORLD-CLASS WEBINARS

PRESENTED BY PDPW

Featuring entrepreneur and business coach
Dr. Dave Kohl, AgriVisions LLC.

Monday, Nov. 29 – Zero in on benchmarking and best management practices that will make your business sustainable regardless of the economic climate or stage of the business cycle.

THIS Webinar will begin with Dr. Kohl's assessment of the domestic and global economies ranging from interest rates to the state of the domestic and global economy and the agricultural industry that will impact your bottom line and balance sheet.

Special Interactive Question Section during each webinar will allow you to get insight and answers from Dr. Dave Kohl, one of the leading experts in the ag industry, plus hear questions posed by your peers.

You must be pre-registered by WEDNESDAY, November 17 to participate in the November session!
