

Clinton County New York – 518-643-7958

Adirondack Farms, a team-oriented, performance focused agriculturally based business is in search of energetic, results driven individuals to add to our team.

We currently have openings for **Crops Team Members**

Job Summary:

We are looking for an individual who understands the importance of working well in a team setting and who desires a company that can provide opportunities for continued learning and career advancement.

Responsibilities:

- Work closely with other team members to organize and accomplish goals.
- Carry out tasks independently when required.
- Participate in trainings to ensure safety, efficiency, and correct procedures.
- Communication with teammates at the assigned location as well at other ADK locations.
- Some but not all the activities that may be expected are:
 - ❖ Maintenance and upkeep of equipment.
 - ❖ Work with crop planner to determine rotations and planting strategies.
 - ❖ Work with dairy team to understand annual forage needs.
 - ❖ Proactive assessments and actions to limit breakdowns and failures of equipment.
 - ❖ Routine scheduled maintenance of equipment.
 - ❖ Availability for after-hours duties.
- Other duties as assigned.

While employees will have a focus area with accountability for performance in that area, we foster a team approach and expect that employees may be cross trained among different tasks for the benefit of the business and to help broaden the skillsets of the individual.

Adirondack Farms strives to be an employer of choice and is willing to train the right person to join our team – our focus is on hiring people with a desire to learn and grow.

We are in the Adirondack Region of NY, minutes from Lake Champlain, a short drive to Burlington, VT, Lake Placid, NY, and Montreal, QC.
